## SATURDAY: Community Bike Ride

---

Meet your neighbors at 11 AM  
this Saturday, March 10 for a  
bike ride around South Park! The  
team at Just Ride LA helped us  
put together a route that's  
appropriate for all levels of riders  
and bikes are available if you  
don't have your own. After  
working up our appetites, we'll  
head to PRANK for a bite to eat.
